PERFECTION

The central image shows a white, modern-style toilet and bidet unit. The toilet tank is rectangular with a small circular flush button. The bidet unit is a sleek, curved white fixture. They are positioned on a dark, reflective surface that creates a clear reflection of the objects. A large, thin-lined circle frames the top half of the toilet and bidet. To the left of the circle is a textured, yellowish-brown rock formation, and to the right is a dark, craggy rock formation. The background is a solid, light grey.
